

# Lint van klaprozen

# A Ribbon of Poppies

A poppy sign on each housefront creating a ribbon of forever flowering poppies. Please help us realize our dream by buying an enamel poppy sign.

The Ribbon of Poppies will help us remember those who fell during World War II, celebrate our freedom and pass it on to future generations.

It links us to each other, to our liberators and to the soldiers who are fighting for peace now. It also links us to the countless innocent victims of presentday acts of war.

Every poppy sign allows us to keep telling the sad and eternal story of war and liberation. It reminds us of the value of freedom, and our role in guarding and celebrating it.

## Will you help us roll out the Ribbon of Poppies further ?

Poppy signs are available for € 19.45 each. Please send an email to [info@dorpsraadwelberg.nl](mailto:info@dorpsraadwelberg.nl).

The signs are also available from the Tourist Information Steenberg (Gummaruskerk, Westdam 83, Steenberg) and the Tourist Information Brabantse Wal (Markiezenhof, Steenbergsestraat 6, Bergen op Zoom).

The Ribbon of Poppies is an initiative of Dorpsraad Welberg and has been made possible with funding assistance from the Prins Bernhard Cultuurfonds and the City of Steenberg and with the cooperation of Willems Classics B.V.

*The Poppy is the international symbol for Canadian and British soldiers, in particular, who fell during both World Wars. It is based on the poem "In Flanders Fields" by the Canadian army doctor John McCrae (1872-1918).*
